

ElectraTM

FLOOR LAMP

Fact Sheet

Change colour temperature at the touch of a button with the unobtrusive, flexible and easy to use black satin Electra. Simply position behind your armchair, sofa, or table and carry out your work or hobby in comfort. The anti-glare shade ensures that the light will be directed at your task in hand without disturbing anyone else in the room. When you've finished working in high quality daylight, simply change the colour temperature to cool light or warm light to create a relaxing atmosphere.
